

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

Please modify page ²3, line 3 of the original specification to read --commonly SB 8-3-07 owned copending application, U.S. Ser. No. 10/696,144,--

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

Burger fails to teach his tag block (Fig. 2, element 28) as including N+1 number of unit tag tables corresponding to the N+1 number of unit cell blocks, each having M number of registers, the M number of registers corresponding to M number of word lines of corresponding unit cell blocks, each register storing one logical cell block address.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
